Dear Sir or Madam:

Please provide any and all written communications, whether in electronic or hardcopy form, from 2006 to 2008, between Katy Coba and/or Jim Johnson of the Oregon Department of Agriculture with any of the following individuals - Charlotte Lehan, Lynn Peterson or Doug McLain - concerning the preparation and application of January 2007 study entitled "Identification and Assessment of the Long-Term Commercial Viability of Metro Region Agricultural Lands" as it relates to the area south of the Willamette River lying between I-5 and the Airport; French Prairie within such east/west boundaries; and the property owned by Chris Maletis, Tom Maletis, Exit 282A Development Company, LLC and LFGC, LLC, generally located south of the Willamette River, east of I-5, and west of Airport Road in Clackamas County, and the urban/rural reserve designations of these areas. I would like to receive the records by December 3, 2011.

Very truly yours,

Stephen F. English
